This decklist is a contract with the tournament you are registering for. You must abide by this contract throughout the entire tournament.

Deck checks are primarily for the top cut players after Swiss, but they can occur at any given moment during the tournament. If a player's deck does not match their decklist during a deck check, they may be disqualified from the tournament. Please take necessary steps to make sure your physical deck matches your written decklist at all times.

- Have one or more friends double check your deck and decklist.
- Count your deck before and after every match.
- Take a picture of your decklist immediately before turning it in.
- Remember to fix your sideboard after every match.

I agree to the above,
